The reduced ammo counts also adds to the challenge and immersion Gamesher: Regular 3rd person, Cinesher: 1st person only when in cover, Sologhosther: and 1st person at all times. The ONLY exception is the transition to third person when you go behind cover: that's the only thing that seems odd to me.. Great work level 1 1 point 5 years ago Played a couple of the campaign missions with this mod, great so far If you are in the enemies line of sight and not in total shadows, they WILL see you.
